## ANNUAL MEETING.

### Bishop and Preservation of Voluntary Institutions

The sixty-sixth annual meeting of subscribers to the Royal Alexandra Children's Hospital and Convalescent Home, Rhyl, was held at the Hospital on Monday, February 13th, under the chairmanship of the Bishop of St. Asaph, Dr. W. T. Havard, Vice-president. He was supported by Sir Robert Williams Wynn, the Lord Lieutenant of Denbighshire, Chairman of the Managing Committee; Lord Mostyn and Mr. C. B. Jones Mortimer, and there were present a large number of the Hospital's supporters.

## ANNUAL REPORT.

The first business on the agenda was the presentation of a report on the work of the Hospital during 1938, which was presented by Mr. Jones Mortimer as follows:—

Following a period of steadily falling income and increasing expenditure, the deficit on the Hospital accounts at the end of 1937 led the Committee to suggest the holding of a Bazaar during the ensuing year as a special effort to aid the Hospital funds. On June 29th and 30th, therefore, a two-day Bazaar was held in the Hospital itself, as on the preceding night the large tent erected in the grounds was entirely demolished by a very violent gale of wind. Undaunted, however, the Ladies in charge of Stalls and the Hospital Staff set to with a will, and by unbounded cheerfulness and hard work turned what looked like a disaster into a great success, handing over in the end to the Treasurer the generous sum of £1,007 6s. 0d. Out of this an Anaesthetising Apparatus for the operating theatre was purchased at the cost of £56 12s. 2d., and £455 transferred to reduce the overdraft from 1937.

The strenuous work entailed has appealed far beyond your Committee to the wide public, to whom the Hospital means so much, and in their name most grateful thanks are tendered to all helpers for their unselfish devotion. To Mr. J. Davies, Nannerch, Tent Contractor, our gratitude is also due for so generously remitting all charges. On the first day Mrs. Gossage kindly performed the opening ceremony, and Lady Graham undertook the similar duty on the following day.

The organisers of the various Stalls were as appended:—

Fruit, Flowers and Vegetables...	Lady Williams-Wynn. Mrs. Edwards.
Cakes (Prestatyn Stall)	... Mrs. Lloyd Hughes.
Sweets	... Mrs. Brocklesby, Miss Griffin.
Household	... Mrs. Havard, Mrs. R. H. Roberts, Mrs. Griffiths.
China	... Miss Robinson.
General Stall	... The Hospital Staff.
White Elephant Stall	... Mrs. Arthur Davis, Miss Worthington.
Provisions	... Mrs. Day, Mrs. Crabbe Davies.
Bathroom Stall	... Mrs. Steele Mortimer, Miss Brassey.
Plain and Fancy Work	... Mrs. A. Lewis Jones. Mrs. Douglas Talbot.
Toys and Stationery	... Miss Lund, Mrs. Gilbert Young.
Teas and Suppers	... Lady Mainwaring, Mrs. Bromley, and the V.A.D.'s.
Side Shows	... Mr. Black, Mr. Chris. Turner.

The past year in regard to finance was marked by difficulties. In the early part the Convalescent Block had to be closed for a month owing to an outbreak of scarlet fever, causing thereby a loss of revenue in addition to considerable expense. In September, to meet the call made by the Government to fit the Hospital for emergency work, large increases in drugs, dressings and requisites had to be made to comply with their requirements.

In the actual year of working, expenditure rose by £594 above that of 1937, due to causes over which the Committee have little or no control, such as the extra cost of:—Provisions, £100; Lighting, Heating, Gas and Water, £274; Extension of Unemployment Scheme, £33; Drugs, Linen and sundry requisites, £177, while on the receipts side the increase amounted to £180, leaving an adverse balance of £509. The proceeds of the Hospital Dance, Rose Day and Pound Day, for which the Committee are always so grateful, showed a fall on the previous year. If these sources could be strengthened, the help in difficult times would indeed be welcome.

With deep regret the Committee have to record the death of Mr. D. F. Pennant, a member of the Managing Committee since 1917, and latterly one of the three trustees of the Hospital; also that of the Very Reverend J. C. Du Buisson, Dean of St. Asaph, a member of the Managing Committee since 1928.

At the Annual General Meeting Mrs. Howard, Mrs. Havard, Mrs. R. H. Roberts and Mr. Ernest Thomas were appointed Members of the Managing Committee.

The Committee gratefully acknowledge a legacy of £5 from the late Mr. C. Cope, Meliden, and express their gratitude to all Subscribers and friends for generous help and many gifts.

The total number of patients was 1,949. There were 706 Hospital cases, 875 Convalescent cases, and 368 Out-patients. The following table will show the Counties from which the patients came:—

### HOSPITAL CASES.

On January 1st, 1938, there were 43 patients still under treatment, and 663 were admitted during the year. There were 351 Surgical cases and 355 Medical cases. Of the 368 Out-patients, 190 came for X-Rays, 6 for ultra-violet rays, 56 for massage and electricity, and 116 for minor operations, dressings, etc.

The average length of stay of the In-patients was 3 weeks 2 days.

(Signed) R. W. WILLIAMS-WYNN,

Chairman of Managing Committee.

In moving the adoption of the report, Sir Robt. Williams Wynn drew attention to the fact that the number of patients received by the Hospital during 1938 was 1,949, which exceeded that of the previous year by ten and was 54 above the figure for 1935. That showed that the need for the Hospital had in no way diminished and that the Hospital had done its best to meet the need. In so doing, it had brought back into many lives the happiness which alone could spring from relief.

“ The question which seems to be the keynote of all hospital management is how we are going to provide in the future what we have given in the past,” continued Sir Robert. “ Last year the ordinary yearly revenue amounted to £9,563, an increase of £86 over the previous year, but on the other side the expenditure rose to £9,977, an increase of £594. The details of increase in expenditure are shown in the report and, to a great extent, seem to be beyond our control. The heaviest item is in the services we get from fuel—heating, lighting and cooking. In cooking, to get greater efficiency and to reduce the heating in the kitchens, gas has largely been substituted for coal and has added much to comfort, but not to economy. The question of fuel in heating and lighting is being searchingly inquired into, but even if a change of method is advised, with a saving in expense, the benefit will be slow in coming, as new appliances will have to be paid for out of capital.

“ From 1937 a debt was brought forward of £550, and adding to that the overdraft of 1938 totalling £509 it leaves us with £1,059 to pay. Through the very generous help and work of many friends the bazaar held in June will practically pay off that overdraft, but it leaves us with nothing in hand for 1939. Speaking for your Committee, I cannot pass mention of the bazaar without again expressing our real gratitude to all who helped to make it a success. It has pulled the Hospital through a bad time.

“ Another service which we wish to acknowledge is the inauguration by Mrs. Howard, Miss Bibby and other ladies of a Linen League. Such a League will be of much help and it will come into force at the moment when, to meet Government requirements, extra expenditure will have to be incurred.

“ To the Lady Superintendent, Sisters, nurses and employees we tender our grateful thanks for a year of heavy work, and also to those who by their subscriptions, gifts and personal service have enabled the Hospital to perform such useful work,” concluded Sir Robert.

In supporting the adoption of the report, Canon D. Lester Jones, Vicar of Prestatyn, spoke of the manner in which the Committee endeavoured to serve the Hospital efficiently yet with the strictest economy. Referring to the deficit, he said that it was only by the excellent efforts at the bazaar that the Hospital was able to get on its feet again, but the relief was only temporary. They had to look ahead, and the Committee would have to exercise a great deal of foresight in preparing for the future. But despite

all the difficulties with which they were faced, one could not help feeling that somehow or other the money would be forthcoming from their many friends, he concluded.

Mrs. Edwards also supported, and the report was unanimously adopted.

The Vicar of Rhyl, the Rev. R. H. Roberts, proposed that the Chairman, the Managing Committee, the Hon. Auditors and all other officers be re-appointed, with the addition of the Dean of St. Asaph as a member of the Managing Committee, and in doing so observed that, while it might seem invidious for himself as a member to propose the re-election of the Committee, he was in a position to speak of the most assiduous manner in which the Chairman and Committee carried out their duties. The other officers, too, did their work very well, and he had no hesitation in moving the re-election of them all and the addition of the Dean of St. Asaph to the Committee. He believed that the Dean's experience and great wisdom would be of invaluable aid to the Hospital.

The Rector of Cefn, the Rev. Morgan Richards, in supporting the proposition, said that he also was a member of the Committee, but as such he was able to say what a lot of good fellows they had as officers.—The proposition was carried.

On the proposition of Mr. Jones Mortimer, seconded by Mrs. Havard, the meeting gave the Managing Committee authority to appoint two more Trustees, the proposer remarking that, following the lamented death of Mr. Pennant, it was considered necessary to make the appointment.

### **The Bishop and a Contributory Scheme.**

Speaking from the chair, the Bishop of St. Asaph said that, in common with the Managing Committee and everyone associated with the Hospital, he felt a little bit anxious about the overdraft of approximately £500 each year and the rising expenses. It was not very comforting for them to feel that it had to be met every year, and he did not know what manner of meeting it the Managing Committee had in their minds. But he would suggest that they might consider the contributory scheme which was being adopted widely these days to add not only to the usefulness of the Hospital but to its revenue as well.

In spite of the difficulties which had to be contended with in order to keep such an institution going, he thought that voluntary hospitals were the very fruit and flower of that for which the country stood, and when they looked at other countries and saw in which direction they were going they might more fully appreciate that. "Here is a voluntary institution like many others scattered over the length and breadth of the land, and it is a glorious thing that voluntary effort should be able to keep it going," continued the Bishop.

"I am not forgetting that there are thousands of people who would be prepared to see such voluntary institutions transferred to the shoulders of the State, but I think that the effect would be detrimental not only to the work of the hospitals—which could not be done as economically by the State as by voluntary effort—but also to the character of our country," he added.

In conclusion, the Bishop congratulated the Hospital on possessing a Managing Committee so efficient and so keen on seeing that they would render in the future those same services which they had rendered so admirably in the past.

Mr. Ernest Thomas proposed that the thanks of the meeting be given to the Lady Superintendent and her staff, to the Hon. Treasurer, the Hon. Medical Officers, Dentists, Auditors, the Chaplain and other Ministers of religion. In supporting, Lord Mostyn referred to the bazaar and its wonderful result; he was afraid that they would always have the money problem before them, but he agreed with the Bishop in saying how fine were such voluntary institutions in the country to-day. "If the State gets hold of them we know the expenses will go up by leaps and bounds," he added.

Mr. C. B. Jones Mortimer, in proposing that the thanks of the meeting be given to the Bishop for presiding, observed that it was invariably the busiest people who had the most time to give to the service of others, and the Bishop was one of those people.—Mrs. Edwards seconded and the proposition was warmly carried.

## ACKNOWLEDGMENTS.

The Lady Superintendent wishes to thank all those who have helped the Hospital in so many different ways during the past year. It would take up too much space to print all the names which might be mentioned, but grateful thanks are due to them all.

The patients have had many treats and entertainments during the year, and all kinds of gifts have been sent for their enjoyment. It is difficult to express adequately the gratitude which is felt for all the kindness shown and the help given in such a number of ways.

## INCOME TAX RECOVERY.

It is not generally known that the payment of subscription under Deed of Covenant (entered into for seven years or during lifetime, whichever is the shorter), enables the Hospital to recover Income Tax on these subscriptions.

This, at the present rate of tax, increases the subscriber's gift by 7s. 11d. in every guinea given. The Income Tax is recoverable in the April following the date the subscription is paid.

It will readily be seen what a substantial increase of income would result for the Hospital if the majority of the subscribers would be so good as to adopt the plan. A considerable number have already done so.

### For the guidance of those wishing to help the Hospital the following suggestions are made:

- £1,000 will name a Large Ward.
- £500 will name a Small Ward.
- £1,200 will endow a Cot in perpetuity for a poor child.
- £500 will endow a Cot during the life-time of the donor.
- £45 will maintain a Cot for a year.
- £25 will provide a "Named Bed," with memorial brass attached.

Although money is a very pressing need, there are many other ways in which those willing to help can give very real assistance, such as organising working parties to make clothing for the very poor children. Nightgowns, shirts, and bed-jackets are specially needed, but any plain clothing is very acceptable.

It is hardly necessary to add that any gifts which lessen the housekeeping expenses are a very real help, and many friends might be able to send rabbits, fruit, jam and marmalade, eggs, etc., or the green vegetables which are so indispensable for children and so expensive to buy.

# THE ROYAL ALEXANDRA CHILDREN'S HOSPITAL AND CONVALESCENT HOME, RHYL.

## RULES.

1. THE HOSPITAL shall be called **The Rhyl Royal Alexandra Children's Hospital and Convalescent Home.**

**Management.** 2. That the Institution be under the management of

(a) A Body of Trustees (being Life Governors or Subscribers of not less than £1 1s.) the number of whom shall never be less than Three, in whose hands the properties of the Institution shall be vested; such Trustees, when not already members of the Managing Committee, shall be ex-officio members of the same, and shall meet as a separate body once a year.

(b) A Chairman (being a Life Governor or a Subscriber of not less than £1 1s.), to be elected annually by the Life Governors and Subscribers of not less than £1 1s., at the Annual or any Special General Meeting, who will preside at all meetings in the absence of the President or Vice-President; render at all times every assistance to the Lady Superintendent; and take a general supervision of all matters connected with the welfare of the Institution.

(c) A Managing Committee, to consist of not less than Eight Ladies and Eight Gentlemen (being Life Governors or Subscribers of not less than £1 1s.) to be elected by the Life Governors and Subscribers of not less than £1 1s. at the Annual Meeting, who will have the power of appointment and the removal of the Lady Superintendent of the Hospital, and other persons employed therein; to regulate the number and conditions of the admission of Patients and of their continuance in the Hospital, to inspect the Institution, Patients, and Books; to receive the Report of the Lady Superintendent, with an account of receipts and payments; to order any work that may be required for the ordinary maintenance and repairs to the establishment; and generally to regulate and determine all matters and questions relating to the management and administration of the affairs thereof. They shall meet quarterly, or oftener, if required. Five to form a quorum. The name of any lady or gentleman to be proposed as a member of the Managing Committee shall be sent in to the Secretary before the Annual Meeting.

(d) An Hon. Audit Committee, to be elected annually, by the Life Governors and Subscribers of not less than £1 1s., at the Annual Meeting, who shall meet monthly, or oftener if required, to audit the accounts.

(e) A Lady Superintendent, who shall be a Communicant of the Church of England, and who, being subject to the supervision and authority of the Managing Committee, shall have the internal direction, control, and management of the Institution, and of the inmates and persons employed therein; and shall appoint, and may suspend or dismiss all Assistant Nurses, Servants, and other persons employed in the Hospital or Home; but she shall in all respects act in accordance with and obey the written directions of the Managing Committee. She shall also keep proper books of admission and discharge of Patients, Medical Officers' Books, and all accounts of the Institution, acknowledge receipt of all presents, such as toys, fruit, etc.; and, in the absence of the Chaplain, shall assemble the children and inmates in the Chapel daily, for the Morning and Evening Prayers; and shall likewise attend any Committee meeting when required. The appointment shall be terminable any time by three calendar months' notice being given on either side.

- Hon. Chaplain.** 3. That an Hon. Chaplain, being a Clergyman of the Church of England and in Priest's Orders, be appointed by the Managing Committee to give such Religious Instruction, and perform such services as may be in his power, at the same time consulting the convenience of the Lady Superintendent.
- Hon. Medical Officers.** 4. That Hon. Medical Officers be appointed by the Managing Committee to regulate all matters relating to the treatment and care of the Patients, and to recommend generally whatever they may consider beneficial to the welfare of the Institution.
- Hon. Surgeon Dentists.** 5. That Hon. Surgeon Dentists be appointed by the Managing Committee to render their services to the Inmates of the Hospital from time to time as occasion may require.
- Hon. Consulting Physicians and Surgeons.** 6. That Hon. Consulting Physicians and Hon. Consulting Surgeons be appointed by the Managing Committee to render assistance in consultation when required.
- Free Cots.** 7. That all sums of money now and hereafter paid in respect of "Free Cots" shall be invested by the Trustees separately from the other Funds of the Institution, and be called the "Free Cot Fund."
- Annual Report.** 8. The Annual Meeting of the Life Governors and Subscribers of not less than £1 1s. shall be held every year, the date to be fixed by the Managing Committee; when the said Committee shall render their Annual Report as to the condition and finances of the Institution, etc. Special General Meetings may be called at any time by three members of the Managing Committee giving seven days' notice, specifying the object of such meeting.
9. That a copy of these Rules and conditions be furnished to each Life Governor, Donor, and Subscriber of not less than £1 1s. and upwards.

---

## CONDITIONS OF ADMISSION.

---

**Objects of the Institution.** The Institution is established as a "Convalescent Hospital or Home for the reception and treatment of such sickly children and others as are likely to benefit in health by residence at the seaside." Boys to be under 13, and Girls under 15 years of age.

There is also accommodation in the Hospital Wards for a limited number of women suffering from acute illness or accident.

When there is room, the Lady Superintendent may admit a few Girls over 15, or Convalescent Women, but such patients cannot be admitted between May and November, excepting with a Subscriber's Letter of Recommendation.

Patients affected with Infectious Disease, Phthisis, Incontinence of Urine, Epilepsy, or any form of mental derangement, or incurable disease, or women suffering from troublesome cough or any other malady that would cause annoyance to the other inmates, are not eligible for admission. Patients whose cases are suitable can remain in the Hospital as long as the Doctors consider they are deriving benefit, and their friends are willing to pay for them.

### THE INSTITUTION IS OPEN ALL THE YEAR ROUND.

When the number of applications for admission is greater than the number of beds available, precedence will be given to cases with Letters of Recommendation from Donors or Annual Subscribers, and Children will take precedence of Women.

Poor Children to pay 10s. a week with a Subscriber's Letter. Without Letter, 16s. 6d. a week.

Children of Tradesmen and Professional men and balcony cases under fifteen years of age £1 a week with Letter. Without letter, 30s. a week. These charges do not include medicine, dressings, personal laundry, etc.

Women and girls over 15 years of age to pay 25s. a week with Letter. Without Letter, 35s. a week. This charge does not include medicines, dressings, personal laundry, etc.

The Lady Superintendent may admit into the large wards adult surgical cases or women requiring nursing and care, from two guineas a week. This does not include medical attendance, medicines, personal laundry, etc.

Private Rooms in the Convalescent Home:

Single Rooms, 2½ to 3 guineas a week.

Double Rooms, with Letter, 30s. a week. Without Letter, £2 a week.

Private Wards in the Hospital, 4 to 5 guineas a week.

Massage, Light Treatment, etc., by arrangement.

In cases of accident, or patients requiring immediate operation, arrangements must be made with one of the Hon. Medical Staff, who would take charge of the case.

**Men's Accident Ward.** To meet the requirements of the town and district, a Ward containing two beds is set apart as a "Men's Accident Ward." The charge for an accident case in this ward is from 25s. a week with Letter. This does not include medical attendance, medicines, personal laundry, etc.

**Letters of Recommendation.** One Letter of Recommendation from an Annual Subscriber is available for a child for four weeks, for girls over 15 and women for three weeks.

Subscribers are earnestly requested not to give their Letters of Recommendation entitling to admission on payment of 10s. a week to any who do not belong to the artisan or labouring class, as this Hospital is primarily intended for the children of the poor. **LETTERS ARE ONLY AVAILABLE DURING THE YEAR OF ISSUE.**

The days for receiving patients are Mondays and Thursdays, but urgent cases may be admitted at any time. All applications for the admission of patients must be addressed in writing to the Lady Superintendent, who will, on receipt thereof, send printed forms to be filled up. All payments are due in advance, and should either be sent before the patient comes or else be paid on arrival.\*

Patients not living in Rhyl are required on admission to the Hospital to deposit their return railway fare with the Lady Superintendent.

## PRIVILEGES OF DONORS AND ANNUAL SUBSCRIBERS.

---

**Life Governors** A donation of £50 or more in any one year entitles the Donor to be a "Life Governor," and to have one Letter of Recommendation annually for life for each £50 so given.

**Donors.** A Donation of £10 or more entitles the Donor to one Letter of Recommendation annually for ten years for each £10 so given.

A Donation of Two Guineas or more entitles the Donor to one Letter of Recommendation for each Two Guineas so given.

Firms and Corporations, also any Clergyman or Minister who permits an Offertory for the Hospital to be taken in his church or chapel, will be entitled to the same privileges as individual Donors, provided that any such firm or Corporation qualifying as a Life Governor shall name one of its members. on whose death the privilege shall cease.

Donations to funds for special purposes do not entitle the Donor to Letters of Recommendation.

**Annual Subscribers.** Every Annual Subscriber of not less than one guinea is entitled to one Letter of Recommendation for each guinea subscribed, and will also be entitled at any time to purchase additional Letters at one guinea each.

Letters of Recommendation are sent to Subscribers on receipt of the subscription.

**ANNUAL SUBSCRIPTIONS ARE DUE IN JANUARY**, and may either be paid through Bankers or to the Lady Superintendent, to whom all communications connected with the Institution should be made.\*

**Free Cots for the Poorest Glasses.** (a) A Free Cot may be maintained by an annual contribution of £45, which must be paid in January every year; or (b) It may be endowed in perpetuity by a donation of £1,200, out of which £200 will go to the "Fabric Fund," and £1,000 will be invested for the maintenance of the Free Cot. A donation of £500 will endow a Cot during the life time of the Donor. Those who maintain or endow Free Cots will be entitled to name the Free Cots, and to recommend suitable cases to fill them.

**Memorial Brasses.** A desire being often expressed to perpetuate the memory of a friend or relative in the Hospital by some Memorial of a useful character, the Committee have designed a small Memorial Brass, which anyone who so wishes can have attached to a bed, with a suitable inscription, on contributing not less than £25 to the Fabric Fund.

These Rules and Conditions shall be in no way subversive of, or inconsistent with, the provisions of the scheme laid down in the Trust Deed, and may be altered at any time on the recommendation of the Managing Committee, at any Annual or General Meeting of the Life Governors and Subscribers of not less than £1 1s.

\* It is requested that all business letters may be addressed "The Lady Superintendent," as considerable delay is sometimes caused by applications being made to individual members of the staff, who may be absent from the Hospital.
